BOOK NOTES

Since the beginning of 1999, Book Notes have been published using the Internet on the RES Web page. Because Notes are added throughout the year, without the gestation lags associated with conventional publication, the following list includes only Notes published up to the end of July 2000.

Notes are stored on the Web in a searchable database, so no page references or publication dates are provided here. The address to access Notes on the Web is http://www.res.org.uk/ecojbknotes/default.asp.
